

Workplace Exposure to Allergens

Elite Personnel, Inc. places candidates with various flavor and fragrance companies in New York, New Jersey and Pennsylvania. Because of this, employees of Elite Personnel, Inc. may be exposed to various materials, including (but not limited to) the following:

- Milk
- Eggs
- Peanuts
- Tree Nuts
- Fish
- Shellfish
- Wheat (gluten)

Exposure to allergens may be a risk of employment at Elite Personnel, Inc. If you have any specific concerns about the potential allergen exposure in the area of work for which you are applying, please ask to speak with one of our SR. Recruiters.
